

# COMMISSION RECOMMENDS CHANGES IN NEW RIDING

A comprehensive redrawing of nine Northern Alberta ridings were the main changes in the redistribution proposals submitted to the Legislative Assembly last week by the Electoral Boundaries Commission.

## Ski Club Lucky Draw

Little Laurelee Dane, daughter of Mr. and Mrs. L. R. Dane of Cynthia is shown here making the lucky draw for the winner of the River Side Ski Club's portable TV raffle at the ski hill Sunday afternoon. Laurelee drew the name of Earl Kelly from the box held by ski club director Joe Eustace. Others in the photo, from the left are Fred Kaarsemaker, Lenard Urchyshyn and ski club president Kevin Goble.

## Entwistle Council Plans Grant Use

Entwistle Village Council met Monday evening, February 9th, with an unusually light agenda to be dealt with.

Kenneth Marion was relieved of his appointment to the Library Board, at his request, and was replaced by Mr. Forrest Bancroft. He then accepted an appointment as Council's representative to the Local Recreation Board. Mrs. Amelia Clark was appointed to the Recreation Board to replace Mrs. Lil Hanson who has been a member since the Board was formed in 1968.

The Regional Recreation Board budget was considered but was not approved by Council at this time as they feel the cost of some programs offered is unnecessarily high.

Ways in which the Department of Highways grant to the village might be used were considered

and motion was made to make application for this grant as soon as plans and estimates can be made ready for presentation to the Department. If approved, the money will be spent on sidewalks and graveling.

Mayor Starling attended the Edmonton and District Auxiliary Hospital dinner meeting which was held on January 21st. He gave Council a brief report on the Hospitals and the services they offer and recommended that the hospitals 1970 budget be approved. The budget was then presented and approved on motion by Mr. Starling.

The province's semi-independent electoral boundaries commission made the changes in its original redistribution plan after a series of public hearings. They were outlined in the committee's final report made public last Wednesday.

The newly-created Pigeon Lake Constituency appears to have undergone extensive changes, although our efforts until Monday had failed to produce complete details of the proposed changes. It appears that the Commission considered the recommendations of County of Parkland and town delegates in arriving at the new constituency boundaries.

The name of the new constituency has been changed from Pigeon Lake to Drayton Valley and the northern boundary extended to take in the Tomahawk-Moon Lake area and a portion of the eastern side returned to the Wetaskiwin riding.

The recommendations of the Commission must now be ratified by the Legislature before becoming effective.

During the sitting in Wetaskiwin on January 19th the Commission heard two representations from this area requesting changes in redistribution announced earlier.

Mr. Frank Hoge, representing the Drayton Valley F.U.A. Local, asked for a change in name to Drayton Valley while another delegation of County and Town Councillors asked for changes in boundaries and name.

Changes in boundaries suggested in the brief would have the northern boundary of Pigeon Lake Constituency moved to about six miles south of Highway 16 encompassing the communities of Horen, Moon Lake, Tomahawk and Keeppills. The brief suggested returning a portion of the eastern edge to the Wetaskiwin riding with the new eastern boundary between Warburg and Thorsby.

The land location requested for addition to Electoral Division No. 23 is the whole of Township 52 in Ranges 5, 6, 7, 8, 9, 10 and 11. The whole of Townships 51 in ranges 5, 6, 7, 8, 9, 10 and 11 and all that portion of Township 50 in ranges 5 and 6 north of the North Saskatchewan River.

The brief also requested a change in name to either Drayton Valley Constituency or something appropriate for the area.

## INVESTIGATION REVEALS LITTLE

At its meeting last Thursday Town Council heard a report from the Attorney General's Department concerning an investigation by the R.C.M.P. into allegations against Chief Constable R. A. Doig of the Drayton Valley Municipal Police.

In a letter signed by R. F. Roach, Police liaison officer of the Department, it is noted that a complete inquiry was made into alleged acts of assault by the Police Chief. It states that a review of the investigation reveals that a number of the victims of the alleged assaults were very reluctant to discuss the incidents.

In only one case was specific evidence given and the report notes that the investigation was unable to determine precisely how the person concerned suffered an eye injury for which he was treated in the Drayton Valley Hospital.

"Certainly", the letter states, "at this late date it would be unrealistic to suggest that there is sufficient evidence to substantiate a charge of assault".

The report suggests that Town Council might feel disposed to re-open the matter and decide for itself if Chief Constable Doig acted in a proper manner.

No indication of further action was shown by Council after hearing the report.

## SPEAKING CONTEST

Any young farm person between the ages of 14 and 27 who would be interested in competing in a Public Speaking Contest in Wildwood sometime in April, please contact Mrs. E. D. Hoge at 542-2061 for details.

## COUNCIL BRIEFS

At its regular meeting Thursday, February 12th Town Council authorized a new fee schedule for building permits to bring them to what is considered a more reasonable figure by Council members. Bylaw No. 485 authorizing the change was given the necessary three readings.

Appointed as a committee to investigate changes in the business license schedule were Mayor T. W. D. Johnson and Councillors Helm and Huber.

Business licenses of \$25.00 were authorized for Mrs. Gebhardt and Mrs. Knight for the operation of a play school and a home workshop.

Council approved the sale of lot 22, Block 6, Plan 2151 K.S. to Mr. Sam Parenteau. The lot and building is located across from Wen-o-Wan Apartments.

Council authorized a letter to "K" Division, R.C.M.P., requesting information on plans for policing the town following accommodation check. The Secretary was also directed to advise Security and Police Academy that present arrangements for temporary assistance in the Police Department would continue until at least April 1st.

Council approved the appointment of Frank E. Harrison as Building Inspector, effective immediately.

A request by the Daylight Saving Time Society for support of its bid for a trial run of Daylight Saving this summer, received the approval of Council.

Due to the fact that assessment figures on pipelines, flowlines and well pipes were late in arriving, Council decided to change the date of the Court of Revision to April 23rd.

## School Plans Not Definite

Representative of the Drayton Valley Town Council and the County of Parkland School Committee met with Education Minister R. Clark recently on the topic of high school facilities in Drayton Valley.

The delegation presented facts supporting the need for a new high school rather than the addition to Frank Maddock High School proposed by the School Buildings Board.

Nothing definite was established at the meeting and Mr. Clark stated that all information would be reviewed and a decision made on the question in a few days.

Part of the large group attending the annual Air Cadet Parent-Son Banquet last Thursday evening are shown above.

## Air Cadets Parent-Son Banquet Well Attended

Air Cadets and their parents gathered in the Legion Hall Thursday evening, February 12th, for the annual Parent-Son Banquet. This year's event was very well attended and reported one of the best ever held.

Principal speaker for the evening was Mr. Harold Webber of Edmonton, a member of the Provincial Air Cadet Committee.

Mr. Webber outlined the Cadet movement and described some of the activities available to Cadets that include flying scholarships, various courses and exchange visits.

Mayor Tom Johnson extended a welcome to visitors and best wishes to members of the Corps on behalf of the town.

Another out-of-town visitor

present for the occasion was Cadet Liaison Officer Capt. A. Fraser of C.F.B. Namao.

Boys of the squadron took part in events of the evening acting as masters of ceremonies and performing introductions.

Following dinner, prepared by the Legion Ladies' Auxiliary, films were shown to complete the evening.

## N.D.P. TO ORGANIZE

Plans have been announced for the organizational meeting of the Drayton Valley (Pigeon Lake) New Democratic Party Constituency Association. The meeting will be held in the Carnwood Community Centre on Saturday, February 28th at 2:00 p.m.

Business of the meeting will include election of officers. Provincial Party Leader Grant Notley is expected to attend and a invitation is also extended to everyone interested.

## PLAN TELESHOW

An AGT Rural Dial Teleshow will be held at the Alder Flats Community Hall on Thursday, February 26th, at 8:00 p.m.

Color movies and an entertaining stage presentation will help customers to make the best use of the new facilities that are being made available to them. Displays will show various aspects of the telephone industry, and representatives will be present to answer any questions.

There will be no admission charge for the show, and free refreshments will be served at the conclusion of the program.

## Western Producer Prints Story by Magnolia Pioneer

By Mrs. W. E. Campbell

Mrs. Jenny MacLeod was born on February 10, 1896, in a little village called Vattjom, which is one Swedish mile (equalling six English miles) from the city of Sundvall in Sweden. Her parents were Nels and Caroline Gylander. She was one of seven children, four boys and three girls.

Mrs. MacLeod came with her family to Canada when she was eleven, in August of 1907. It was a ten-day trip by boat in those days to come from Sweden to Quebec City in Eastern Canada. After journeying as far as Edmonton by train, it took another eight days by mule team, via Lac Ste. Anne to the Darwell area; and horses the rest of the way to her father's homestead in the Magnolia area. Mrs. MacLeod's family was one of the first five white families to settle in Magnolia.

The Magnolia school opened in approximately 1910, with Mrs. Martin as the teacher. Mrs. MacLeod was one of the first pupils to attend the school. When she was fourteen, she obtained employment at Carriers' "stopping house", while the Canadian National railway was being put through Magnolia.

Mrs. MacLeod

She became the bride of Stanley Campbell on February 10, 1914. In the following years, they were blessed with five sons; Arthur, Walter, Gordon, Gunner, and Ross. They farmed in the district until Mr. Campbell passed away in 1933, after which she raised the five boys by herself. She also has thirteen grandchildren, five boys and eight girls.

In 1945, Jenny Campbell and Donald MacLeod of Lake Isle were married. They made their home on a farm in Lake Isle. Mr. MacLeod passed away in 1959.

Mrs. MacLeod commenced travelling in the early 1950's. She has been to California, Eastern Canada, New York and has taken two trips to Western Europe.

In the late 1960's she took several courses, which included writing, interior decorating and photography. In December of 1969, her story "The Open Gate" appeared in serial form in the Western Producer. Mrs. MacLeod is an avid gardener, enjoys hooking rugs, and is a talented quilter. She is also an active community member.

While Mrs. MacLeod is not now a resident of Magnolia, she is certainly one of our earliest pioneers.

## SKATING CLUB PLANS CARNIVAL

The Figure Skating Club Executive met for its monthly meeting on February 5.

Gwen Simpson and Doris Reid attended a two-day workshop in Edmonton on skating and carnivals.

Figure skating tests will be completed within the next two weeks ending with the C.F.S.A. tests on February 28.

The date of the Drayton Valley Ice Carnival is April 10 and 11 with three performances this year. The theme for the year's carnival is Fantasy Land.

Costumes have been rented to Whitecourt, Veteran and Edmonton at \$1.00 to 1.25 per costume.

Members of the recreation board also attended the meeting and made a recommendation to the club, that the summer skating school be managed by the local club since Mr. Harry Nevard wasn't offering two months of school this summer.

Brochures will be mailed out soon offering group and private lessons.

Anyone wishing information contact Mrs. Gwen Simpson - 542-4249 or Mrs. Doris Reid - 542-3986.

A general meeting is scheduled

for Thursday, March 5, in the Council Chambers at 8:30 p.m. All mothers are asked to attend.

## Changes Favor District

Our area appears to have fared well in the redrawing of electoral boundaries submitted to the Legislative Assembly for approval by the Electoral Boundaries Commission last week.

Complete details are not available at time of writing but indications are that the Tomahawk-Moon Lake districts have been made a part of the new constituency and the name changed from Pigeon Lake to Drayton Valley Constituency.

It is very gratifying that the commission recognized the affinity of Tomahawk - Moon Lake - Drayton Valley and reunited them in the same constituency.

The advantage to the town in the change of name is obvious. Community leaders have maintained a constant effort over the past several years to keep the Drayton Valley area in the fore and the change will continue to project the community image in a manner that would have escaped the best efforts of local supporters.

## More Teeth Needed

The Federal administration should certainly be looking for a method of putting teeth into the control and condition of tankers plying Canadian waters.

Some of the things being revealed about the Arrow, who's load of bunker oil is now befouling beautiful Chedabucto Bay, are alarming when the number of ships concerned with the movement of oil is considered. Legislation should ensure that oil is compartmentized to a greater degree and that the vessels are in satisfactory condition and following Canadian regulations regarding coastal routes.

If Canadian Arctic waters are used to transport crude from the Prudhoe Bay area, Canada should exert its authority to guarantee that this last relatively pollution-free area should remain that way and not also sacrificed to the dollar grabbers. Our government will fail the people of this country if it doesn't press to recover full clean-up and damage expenses from those responsible for the Chedabucto incident.

## Canada Needs New Wheat Grading System

A proposed revision of wheat grades designed by V. Martens of the Board of Grain Commissioners, was presented to the recent Annual Meeting of Alberta Wheat Pool. It deserves careful consideration by producers and grain handlers in Canada.

Canada needs a wheat grading system which caters to a greater extent to needs of our customers. Countries buying high quality milling wheat are asking for a guaranteed protein level. Competing countries such as U.S.A. and Australia presently provide to some extent such guarantees.

Countries buying wheat for milling, though not necessarily for bread making require wheat

possessing qualities contained in Canadian wheat, other than protein. The new number 3 wheat would provide such a product, presumably at a competitive price.

Finally, customers purchasing feed wheat demand a certain quality at a price, and that price is extremely competitive.

Introduction of a new grading system would require revision to the Canada Grain Act; and a proposed revision is being prepared for early submission to Parliament. Arrangements to accommodate existing stocks of wheat now in elevators, purchased under the present grade structure will require some time. A formula for dealing with these stocks would need to be negotiated with the Canadian Wheat Board. Probably two years would be needed to completely change over from the present system, once a new grade formula is accepted.

As stated by Mr. Martens, one effect of a protein based grading system would be a tendency to concentrate wheat growing in Saskatchewan and South Eastern Alberta. It is anticipated that the incentive provided by the new grades would accomplish this redistribution of acreage.

## Report from the Legislature

By TONY COX

Alberta unveiled its first billion dollar budget Friday and while it contained no tax increases, it made provision to borrow \$100,000,000 thus abandoning the province's long-standing pay-as-you-go policy.

For the 1970-71 fiscal year, expenditures are estimated at \$1,146,012,185 a 17-percent increase or \$166-million more than the 1969 budget.

Education will absorb most of the increased revenues of \$84-million dollars as \$404-million dollars or 33-percent of the total budget is channeled towards this portfolio.

The budget also provides large increases in financial assistance to municipalities and for an additional \$42-million to be pumped into the school foundation program. And almost \$40-million is to be injected into a program to provide housing for low income families, welfare recipients, senior citizens and northern areas.

To ease the education tax burden on the property owner, the government intends to increase its contribution to school boards. But it has stipulated that local levies will have to be reduced gradually in the mill rate under supplementary requisitions.

This reduction would be about three mills at the local level but should increase to six or seven mills within three years. But the province-wide equalized assessment for the foundation program will be increased from 28 to 30 mills.

The four mill hospitalization tax is to be eliminated this year. Revenues from all major sources, income tax, liquor, cigarettes and gasoline showed an upward trend. The exception was the sale of petroleum and natural gas leases. Revenues here fell nearly \$30-million short of an anticipated target of \$105-million.

The Legislature adjourned for two days this week to permit Premier Strom and senior cabinet ministers to attend the Ottawa constitutional conference February 16 and 17.

A demerit system for driving violations under the Highway Traffic Act will become effective April 1. Once approved, a driver's licence will be suspended automatically for a month if 15 demerit points are accumulated, regardless of the offences involved.

Any driver with three suspensions in a two year period must appear before a Driver Control Board which would have the power to permanently ban any driver from the road.

And for motorists, the 1970 vehicle plates will have white letters on a blue background.

The government has expanded the region in which farmers can receive government-backed loans

to meet food, clothing and other living expenses.

The designated area has been expanded to include the counties of Two Hills and Lamont, east of Edmonton. In addition, the region runs southwest of the fifth meridian to the northern boundary of Lacombe County and west to include all of Local Improvement District 11 and the town of Rimbey.

The province pays interest on the loans until June 30 after which the farmers must assume the responsibility not exceeding the bank's prime lending rate at the time the loan was made.

The government is to launch a study into allegations of inequality surrounding tax assessments on arable lands, pasture lands and lands used for haying purposes.

The Alberta Racing Commission, in its annual report, issued a warning that it intends to eliminate illegal drugging of horses on the provincial racing circuit.

The Alberta Liquor Control Board's annual report indicated that every Albertan averaged more than 14 gallons of beer, more than three quarts of wine and just over a gallon of hard liquor last year.

# MAGNOLIA NEWS

Wade Roth left on Sunday, February 8th, to work at Namao for several days.

The community says "welcome home" to Mr. and Mrs. Roy Strangway who left before Christmas to spend some time with their daughter, Glenda and family, on Vancouver Island. They came back Saturday evening via the Yellowhead route, and tell me the weather was lovely all the way home.

Many of our local residents will be sorry to hear that Ken Gobel passed away on the afternoon of Tuesday, February 3rd. He was taken suddenly ill at his home at Mara Lake, B. C. and died en route to hospital.

Walter and Shannon Campbell were Saturday visitors at the University of Alberta guest weekend. They believe it was time well spent as the instructors and students at the U of A were very helpful and informative.

We are sorry to hear that Ruby Brown had to return to hospital and doctor's care for a short time. Get well soon, Ruby, we miss you. Congratulations are extended by all their friends to a former local couple, Bob and Leaha Roth, who were married 25 years on February 5th.

Several local folks attended the silver wedding anniversary party held for Bob and Leaha in Sangude on February 7th. Some of these people were; Cecil and Marie June, Branda and Allan Walker, Orris and Dorothy McWilliams, Al and Alma Roth, Danny, Coreen, Wade, Leroy and Marian, Glynne and Maxine. About eighty people attended the evening party.

Mr. Rudolph Gylander left by bus for Arizona on Sunday evening February 8th. He plans to be away

for a week or more.

Sympathy is extended to all the family of the late Mrs. E. Webber who passed away on the evening of Sunday, February 8th. Mrs. Webber was a good neighbour and dear friend to all who knew her.

Many residents of Magnolia and surrounding area were among the 200-250 people who gathered in the Lake Isle Hall on Sunday afternoon, February 8th to honor Mrs. Jenny MacLeod on her birthday and on having her book "The Open Gate" published in serial form. Everyone enjoyed a bountiful cold dinner after which His Honor Grant McEwan, Doctor Homer and Mr. Ralph Jespersen each spoke to the gathering. Mrs. MacLeod thanked everyone there for coming and also for the gifts. She has asked me to extend her sincere thank you to all who could not attend but had contributed to the gifts.

### FASHION FABRIC REPORT

**Polysters** -- I've just finished glancing through a Fashion Forecast and out of 25 fabric swatches of the "in" material for Spring and Summer '70, 16 of them are 100% polyester or a blend of polyester.

**Washability** -- remains as the key word in future fabrics. The emphasis is on carefree, crease resistant, wash 'n wear fabrics and polyester is the fibre that gives us these easy care properties.

Polyester fibres were first commercially produced by DuPont in the United States in 1941. Dacron (U.S.) and Terylene (England) were marketed in the late 1940's and today there are modified forms being produced in dozens of different countries.

**Characteristics** -- noted for high strength and resistance to stretching and shrinking; crisp and resilient, and will not wilt and lose body; Thermoplastic, can be permanently shaped by heat, pleats are durable through laundry and wear, can be textured by a variety of methods; fibres are naturally white, maintain whiteness throughout use; Excellent resistance to bleaching agents, including chlorine and hydrogen peroxide. Note, it is the fabric finishes which are harmed or discolored by chlorine bleach; Physiologically inert, does not cause any skin irritation; Pills readily because it is very strong; Blends well with other fibres; Contributes "washable" factor to most blends.

**Care** -- Almost all polyesters and blends are machine washable. Temperature relative to weakest fibre in blend, preferable to cool fabric before spinning dry, to avoid wrinkling; Avoid chlorine bleach on permanent press finish; Drip dry on hangers, or tumble dry at cool temperatures. Remove from dryer and hang on

## Hire Pool Supervisor

The swimming pool supervisor and chief lifeguard has been hired for the 1970 swimming season at the Drayton Valley swimming pool. Linda McMorris will again serve in this capacity during the coming summer.

Linda has been a member of the pool staff for the past five years and last summer did an outstanding job as pool supervisor.

Miss McMorris, a graduate of the Provincial Recreation Leadership School is presently completing her studies in Recreation Programming and Activity Leadership at Mount Royal College in Calgary. She will be graduating from Mount Royal in May. Over the past seven years Linda has been an outstanding recreation leader in this community. She taught figure skating, keep fit classes, and swimming among other activities. Linda is highly qualified in the various phases of aquatics and is presently taking further training in the art of competitive swimming.

Miss McMorris will start her work at the local swimming pool about mid-May. There is a good possibility that she will become a permanent member of the Drayton Valley Recreation staff after the swimming season is over.

hangers immediately after tumbling; Oily stains are difficult to remove, try Energine or K-5.

**Sewing** -- Release tension and pressure on pressure foot; Use fine, sharp needle; Use polyester thread (Drima) to avoid puckered seams after laundering; Use preshrunk, washable interfacing and linings, where necessary; Stretch seams slightly while sewing, increase stitch length or use zig-zag stitch; Finish seams on woven fabric. No finish necessary on knits.

**Trade Names** -- Dacron, DuPont, U.S.A.; Terylene, England; Fortrel, Gelanese, U.S.A. and Canada; Trevira, Germany and U.S.A.; Kodol, Eastman, U.S.A. \*slightly different chemical composition; "Crimplene", ICI Company, England \*100% textured Terylene fibre; "Crimp Knit", American name for 100% textured polyester fibre; "Buttercup", Company name for 100% polyester lining; "Fibrefill", DuPont's name for staple fibres used in insulated and quilted material.

## Pee-Wee Tournament Planned at Alder Flats

The Alder Flats Pee-Wee hockey team, coached by Alex Danyluk, has been enjoying some real hockey fun and competition during recent weeks.

Saturday, January 31st they played in a Pee-Wee tournament in Winfield, competing with teams from Winfield, Breton, Warburg and Lakedell. The first game with Winfield, ended in a 3-1 victory for Winfield over Alder Flats.

The second game gave Alder Flats a 7-0 win over Lakedell. The third game against Warburg proved very exciting with the teams tied 3-3 at the end of the 3rd period. In the second overtime period Warburg popped in the winning goal, defeating Alder Flats 4-3.

Due to weather conditions the following day, the remainder of the tournament was postponed until Sunday, February 8th. As Breton was unable to come for their game against Alder Flats, Winfield played against Alder Flats and the game ended in a tie 2-2.

Wednesday, February 4th, Warburg played host to the Alder Flats Pee-Wee's and won the game 6-4. Friday, February 6th, a team of Pee-Wee's from Drayton Valley played in Alder Flats with Alder Flats winning the game 4-2.

Weather permitting, Alder Flats will host a four-team Pee-

Wee hockey tournament, Sunday, February 22nd. Lets see all you parents and hockey fans at some of our future games. We have a great little hockey team intent on going places, so let's have some support for them.

## Funeral Service for Chester Walaschuk

Funeral services were held Tuesday, February 3, 1970 at the Park Memorial Chapel in Edmonton for Mr. Chester Roman Walaschuk of Gainford with Rt. Rev. J. Margitch officiating.

Mr. Walaschuk passed away January 29, 1970 in the General Hospital at the age of 35 years.

## Weekly Livestock Report

The Edmonton weekly livestock report for the week ending February 14, 1970 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	5900	4000	1900	2400	575
Last week	4413	2814	1599	2613	131
Same week (1969)	4558	3562	994	1297	383

### SUMMARY

Receipts were sharply higher partly due to stronger livestock prices and better trucking conditions. Offerings were approximately 60% replacement cattle and calves, with slaughter steers, heifers and cows comprising most of remaining sales. Trade was active throughout on all classes. Slaughter steers and heifers gained \$1 for the week. Butcher cows \$1.50. Bulls steady to firm. Veal \$1 higher. Lambs steady. Hogs averaging \$1.50 lower.

## Under the Toadstool

2nd Drayton Valley,  
Brownie Pack.

At the January 5th meeting a sing song was enjoyed by all. The girls were reminded to wear running shoes in order that they may join in all the games.

On January 12th, Irene Rolf told the Pack in Pow Wow about her trip to Mexico and passed a around items she brought back with her. Due to severe weather conditions we had our Brownie Prayer and Taps at 4:30 p.m. and then we went home.

On January 19th, the Golden Hand group studied semaphore and the Golden Bar Brownies worked on the Canadian Flag.

At the January 26th meeting, the Golden Bar were tested on the Canadian Flag. The Golden Hand talked about health and personal hygiene and also studied further on semaphore. All the Brownies took inspection and the nail chewers were reminded to let their nails grow out.

On Wednesday, January 14th, parents, Brownies, Guides and their leaders gathered in the Scout Hall for the "Fly-Up" ceremonies of Wanda Anderson and Denise Leniuk, symbolizing the Brownie's parting from her Brownie Pack and flying up to Guides.

Brown Owl, Mrs. Janisewski welcomed the parents and explained the ceremony to them. She was assisted by Tawny Owl, Mrs. Kondratiuk.

Since all interest is turning to Japan this year, a Japanese theme was used. Our two Brownies were dressed in the Japanese Brownie uniform of navy blue jumper, white blouse with a small navy "beanie" type hat.

A Japanese Brownie is called a Sprout at age 7; a Bud at 8 years; and a Flower at 9 years of age. When she is 10 years old, she flies up to become a Girl Scout. Like our Canadian Brownie, a Japanese Brownie is always willing to lend a helping hand in the home. Some Packs take pots of flowers to nearby police stations to thank the policemen for their services.

The four main islands of Japan were corresponded with the four signposts the Brownie follows in her Brownie years. These are, enrolment, Golden Bar, Golden Ladder and Golden Hand.

After answering questions pertaining to Brownie tests, each girl was given the Grand Howl by the Brownies, then she crossed the bridge to Guide land, waving good-bye to the Brownies and Leaders she left behind. She was then met by her Patrol Leader and escorted to the Guide Captain, Mrs. Hammerlindl, who with Lt. Mrs. Tyler, officially welcomed the new members of the 1st Drayton Valley Girl Guide Company.

Prior to the "Fly-Up" ceremony we tuned into the radio for a coast-to-coast hook-up as part of our Diamond Jubilee observances.

### Slaughter Cattle and Calves:

The week's opening trade was strong with slaughter prices mostly 50 higher for steers, heifers and cows. Under a good local demand prices worked higher as the week advanced with sales to 31.90 for good conditioned choice steers ranging up to 1100 lbs. and over. Butcher heifers sold to 29.70 for some mini kinds at mid week. There were very few fancy steers or heifers on offer in closing trade but prices were rated steady for the quality on offer. All grades of butcher cows sold progressively higher as the week advanced with a few good kinds over 22.50 in closing sales. Bulls were generally steady with the odd sale to 25.50. Veal continued scarce to \$1 higher, sales to 48. Butcher calves steady.

### Replacement Cattle and Calves:

There was a good demand for all weights and classes of replacements. Feeder steers were ranging up to \$1 higher for the lighter weights, while stock calves were \$1 to \$2 higher for lighter weights. One load of fifty 475 lb. steer calves brought 44.90 in closing sales.

### Shipments:

Last weeks shipments off the Edmonton Public Stockyards; Out of province; East 27 slaughter, 100 feeders, West; 108 slaughter; Export 25. To Southern Alberta feed lots 1210 head.

## D. V. Highlights

By Mrs. Edith Deby

Last Saturday Mrs. Safronovich and Mrs. Jessie Nelson flew away to Hawaii for a two week stay leaving their fur coats behind.

Several old friends gathered at Louis Mattson's home to honor him on the occasion of his seventy ninth birthday. Best wishes for many more happy birthdays, Louis.

Was very sorry to hear that Mrs. Rene Belva, Rocky Rapids correspondent for the Review, has had surgery and will be in hospital for several weeks. Best wishes for an early and complete recovery, Mrs. Belva.

Do you remember Mr. Alf Rudd, a well known personality of Drayton Valley in pre-oil days? A friend ran across him in Hinton lately and visited in the hotel where Mr. Rudd is night clerk on the desk.

Mr. William Dusterhoft has

had an operation and is making a satisfactory recovery in an Edmonton hospital.

Mr. and Mrs. Chester Farnsworth will be returning to Drayton Valley soon from Fort St. John. Welcome back, Mr. and Mrs. Farnsworth.

Whist winners at Dunington hall were: High - Mrs. Verna Hines and Mr. Albert Grinde. Low - Mrs. Jean Beckett and Mr. Harold Smithinsky.

Belated but sincere good wishes for future happiness go to Mr. and Mrs. Donald Schmidt, nee Margo Palmer, on the occasion of their marriage.

Sympathy is extended to Mrs. W. Hook whose father, Mr. Steve Pankewicz, passed away recently.

It is most gratifying to have had several people call to say that they are interested in having a museum in Drayton Valley. Now if a sponsoring organization can be found the project may have a beginning.

## PARKCOURT NEWS

Mr. and Mrs. Harvey Marchand and family spent the weekend in Edmonton, returning with a different truck.

Quite a number of young people from the district spent Saturday at Varsity Guest Weekend activities in Edmonton. They reported an interesting and profitable trip.

A large number of people either participated in or went to cheer in the curling bonspiel in Evansburg over the weekend.

Dr. and Mr. Hopkins left Monday for a two week vacation in Hawaii.

Marybell, Valerie and John Fausak were all home over the weekend as was Jerry Wiegler.

Walter, Billie and Joe Wyshinski are now all working at Drayton Valley.

The regular meeting of the F.C.C. was held in the hall on Wednesday night. Election of officers took place. Rural mail delivery and crop insurance were among the topics discussed.

Mr. and Mrs. John Brunet spent the weekend in Barhead and Westlock. Mr. Brunet will now be selling Watkins products locally as he started his new job on Monday.

A tactless person is one who says what everyone else is thinking.

# CHALLENGERS WIN LEAGUE TITLE

The Burrows Motors Challengers, Drayton Valley Bantam All Stars, clinched first place in the Hi-Way 16 League over the weekend with two victories. They defeated Wabamun Bantams 8 to 4 and Onoway Bantams 5 to 3.

Wabamun came to Drayton Valley on Saturday, February 14, and were sent home on the short end of a 8 to 4 score. The teams played very even in the first period with the Challengers scoring four goals and Wabamun two goals. The third period featured some fast moving hockey, with the Challengers outscoring their opponents to bring the final score of 8 to 4.

Mark Hutton led the scoring again with a "Hat Trick". Lindsay Machan added two goals; singles were added by Xavier Coppens, Ron Bartek and Darcy Galvon. Xavier Coppens also had three assists, Bruce Hutton, Bob Hall and Bob Burrows all had single assists.

Darrell McDonald, Graham McDonald, Mike Goulet and Paul Dumont each scored a goal in Wabamun's effort.

Sunday, February 15, the Challengers travelled to Onoway and came home with a 5 to 3 victory. At the end of the first period, Onoway had pulled ahead to a 3 to 2 lead. The Drayton Valley boys rolled in the second period to pull away with three unanswered goals to take a lead of 5 to 3.

The third period saw the teams both playing very good defensive hockey and both goalies were able to come up with big saves and the period ended without further scoring.

Mark Hutton picked up two goals and singles were added by Ray Duperron, Ron Bartek and Bob Hall. Assists went to Bob Burrows, Ron Bartek, Dean Samis, Xavier Coppens, Lindsay Machan and Cameron Selin.

## THE WESTERN REVIEW

Drayton Valley, Alberta  
February 18th, 1970

The team travelled to Mayerthorpe Friday to play an exhibition game and played to a one all tie. This game was played on natural ice in a snow storm. Both teams struggled to overcome the weather and were glad it ended in a tie. Mark Hutton got the only goal.

Last League game for the Bantam All Stars, will be Saturday, February 21 at 6:00 p.m. in the Centennial Civic Centre, where they host the Devon Bantams.

Come out and watch this excellent young hockey team attempt to finish the league season without a defeat.

The team would like to thank their loyal supporters who accompanied them to Onoway and lent their vocal support.

You still may obtain your tickets on the Hand Crocheted Tablecloth, size 90 by 54 inches, being raffled by the Bantam All Star Hockey team. Draw to be made February 21 in the Centennial Civic Centre during the Devon game.

## TOMAHAWK NEWS

The Tomahawk Curling Club held its monthly meeting on Friday, February 2nd. It was decided to have an open mixed Bonspiel on the week-end of the 13, 14, 15th.

The firemen of Tomahawk have reserved the rink for a firemen's Bonspiel to be held at the end of February. The club raffle which was held at the opening of the season was won by Mr. D. Lawrence of Edmonton. His prize was a combined record player and tape recorder.

Mr. and Mrs. Steve Wepryk of Tomahawk were feted at a surprise house warming, put on by Mr. and Mrs. Elio Pezzot and Mr. and Mrs. Ted Bustin on Saturday, February 7th. There were about 55 people present and Steve and Donna were given a lovely dinner set for twelve and also an eight place setting of silverware. Judging by the comment some of the guests a grand time was had by all.

The Tomahawk and District Club held their monthly meeting at the home of Mr. and Mrs. Mike Namchuk. Four teens were present representing the teenagers of our community with an idea of a Teen Club for this area. The board members were in complete favour of this.

The Teens will set up a teen board of their own, plus reliable chaperons. Each member will also become a Junior Tomahawk and District Club Member, at a fee of 50¢ yearly. This will entitle them to free use of the new recreation centre and community hall. Their activities will include hay-rides, skating parties, films, dances, etc. The minimum age is 13 and all members must be attending school.

We are very proud to announce that we are to be sponsoring such a worthwhile cause as the 4-H public speaking semi-finals which will be held on March 21st at the community hall. David Case and two 4-H members were present at the meeting with this request. We would also like to commend David Case on the time and effort he puts in on the 4-H. It is hoped that the Tomahawk and District will support this by attending. April 4th will be the finals held at Evansburg.

As the saying goes, (the early bird gets the worm) we feel that we fit into that category, as we have obtained the Pembina Valley Ramblers for the July 3rd and Boxing day dances this year.

There have been several complaints that hockey sticks on the ice during public skating time, are endangering small children. For the rink to be a success, we must have co-operation from

everyone including the boys with hockey sticks. We do hope, as responsible young people, they will realize this and refrain from using them on the ice during public skating.

Soon after the completion of the new recreation building we are planning on a grand opening. It should be a real fun thing with a pot luck supper where the ladies each bring their favorite hot dish, salad or dessert. The ice will be divided half for skating and half for a moccasin dance with even the thought of broomball later in the evening. We are planning to have it on Sunday evening so the whole family participate from tots to senior citizens.

Keep watch for posters. We also wish to thank the ladies for painting Rec. Club house.

Mr. and Mrs. Larry Rausch and children from Fort St. John are visiting at present, at the home of her parents Mr. and Mrs. Adolph Peskunowicz of Tomahawk.

Mr. and Mrs. Arthur Buchanan and Mr. and Mrs. Reg. Wakelam and family were weekend visitors at the home of Mr. and Mrs. Pete Crawford of Tomahawk.

We are pleased and happy to welcome Mrs. Doreen Handzuik back in our fold once again and

feeling so much better. Doreen spent three rough weeks in the General Hospital in Edmonton undergoing surgery. However her many, many friends will be very glad to hear that she is coming along fine now.

## Leadership Course Possible

Any organization in Drayton Valley, who would be interested in sending members to a Leadership Course, please contact Mrs. Eileen D. Hoge at 542-2061. This course is open to men and women, and deals mainly with the conducting of meetings, parliamentary procedures, etc. There is no charge for this course, and it will last 2-3 days.

At least 15 persons are required to make this possible. If there is enough interest shown the F.U.A. will rent a hall and make all arrangements.

Trouble teaches us two things: who our friends really are, and who have been waiting for years to catch us bent over at just the right angle.

## TOWN OF DRAYTON VALLEY PUBLIC NOTICE

NOTICE IS HEREBY GIVEN THAT THE COUNCIL OF THE TOWN OF DRAYTON VALLEY DOES PROPOSE TO PASS BYLAW NO. 484 OF THE SAID TOWN OF DRAYTON VALLEY

The purpose of the Bylaw No. 484 is to permit certain lawful activities upon The Lord's Day in addition to the public games, contests or sports, conducted for a fee by authority of the present Bylaw No. 372, that is to say, any person may within the limits of the Town of Drayton Valley, after 1:30 o'clock in the afternoon on a Sunday provide, engage in, or be present at:

- any game, contest or sport,
- any exhibition of an educational, artistic or cultural nature,
- any theatrical performance, concert, recital, lecture or other performance, and
- any exhibition of moving pictures,

and which but for this bylaw and the said Act would be unlawful under Section 6 of the Lord's Day Act (Canada).

Unless a petition containing at least the names of ten (10%) per cent of the Electors of the Town of Drayton Valley for a vote on the proposed bylaw is presented to Council within fifteen (15) days after the last publication of this notice, the Council may give third reading to this bylaw and may pass it.

# EVANSBURG NEWS

With all the reasonable weather we have been having lately, and new arrivals in some of the barn yards, spring must not be too far away. Twins have made their appearance at our place and twins and triplets have arrived at Ted Stephan's, twin and triplet goats, that is.

The Volunteer Fire Department held its regular meeting and have decided to add a few more men to the fire department.

The Evansburg Credit Union shareholders held its annual meeting recently to elect officers for the coming year. Elections were as follows: President, Mr. Keast; Vice-President, Mr. Bruner; Secretary, Mr. Schroder; other directors, Mrs. Keast and Mr. Grapentin.

Arriving in Evansburg during the last cold spell we had, was Simon Myer, son of Dr. Myer. He came from South Africa so the change in climate was drastic. We welcome Simon to the district and hope he will soon find many friends at the high school which he will be attending.

Last weekend, the children in the division had an extra long weekend in which to enjoy themselves as the teachers attended the convention being held in Edmonton.

The 4-H Club held their regular meeting a week ahead of time this month due to the fact that the 4-H Council Valentine dance will be held on the usual date of the meeting.

The Farmer's Union, Styal Local, held their annual meeting this month. Elected to office were J. Mazeppa as president, N. Bura as Vice President, Mrs. Olga Kremeniuk as secretary and Mrs. Lorraine Mazeppa retaining her position as treasurer for another year.

The gymkhana club held its regular meeting and raffle on their usual date. Plans were made to hold whist drives every two weeks beginning in the near future.

The Evansburg Curling Club sponsored its annual curling bonspiel on the weekend of the 6, 7, and 8th. Thirty six rinks entered this annual event. Rinks came from Edmonton, Lodgepole, Drayton Valley, Mayerthorpe, Rochfort, Spruce Grove and Lake Isle, to mention a few of the places. One rink came from as far away as Grande Cache.

## Local Curlers Win Bank 'Spiel

A Drayton Valley rink captured 1st prize in the first event of the 15th annual bonspiel of the Royal Bank, Alberta Division, held at Stettler last weekend. They brought home the trophy emblematic of top rink in the 'spiel as well as individual awards.

Skipping the rink was Rick Tufts of Drayton Valley Treasury Branch and other members, all from the Royal, were: Dennis Harrison, 3rd; Rick Bright, 2nd; and Andy Bzowy, lead.

About 195 curlers took part in the weekend event.

## F.W.U.A. Meeting At Tomahawk

The Tomahawk F.W.U.A. held its February meeting at the home of Jane Zander on February 5th, with 13 members and 2 guests present.

Due to the cold weather that cancelled the January meeting there was quite a bit of correspondence.

The 1970 hand books were passed out and projects for the month to come were discussed.

It was decided not to have a pot luck supper in December but keep to a simple lunch with the club buying treats.

Everyone is to bring an article they have completed this past winter, whether it be a patch work quilt or a doilie.

Members are reminded that articles for the tea and bazaar to be held in May must be completed before the April meeting.

March meeting will be held at Velda Jouans.

Gloria Jouan gave a most interesting demonstration on covering shoes.

A tasty lunch was served by the hostess, Jane Zander and her co-hostess, Gloria Jouan.

During the event, five sheets of ice were used, alternating, between the curling rink and the Centennial Arena, whichever offered the best ice in the near thawing weather.

On the 7th, Saturday afternoon, a Calcutta Sale was held with Auctioneer Doug McKeen from Sangudo in charge. The ladies concerned with the curling club served a free hot turkey dinner to each curler at some time during Saturday. Approximately one hundred and fifty curlers took part in this bonspiel, so that was a lot of turkey to serve.

The bonspiel came to a close Sunday evening with winners of the four events as follows: Grand Challenge winner, Duane Gates rink from Evansburg; 2nd- Garry Mitchell rink from Evansburg; 3rd - Neil Chisholm rink from Spruce Grove; 4th - Ed Jones rink from Lake Isle. Winners were presented with their trophies by

club president Mike Hotra.

The Club would like to extend its thanks to everyone who helped make this event the success it was. Thanks to the caretakers, the ladies who helped in the kitchen, the girls who helped with the serving, the executive and prize committees.

This weekend, don't forget to help the Kinsmen and Kinettes celebrate their Golden Anniversary of their Clubs' founding. They will serve you with coffee and cake at two of the local stores in the village. The Kin Kapades will be held March 1st at 2:00 p.m. at the Evansburg and District Centennial Arena. The Queen dance will be held at the Legion Hall on February 28th with music by Lorenz's orchestra. Among other events planned are snowmobile races to take place on the 1st at 10:00 a.m. I hope to have more details on this celebration in next weeks paper.

## Oil Wives Plan Sitters' Course

The regular meeting of the Drayton Valley Oil Wives was held in the Cardium Room on February 9th. Seventy-six members and six guests enjoyed the chicken supper.

The meeting was chaired by the 2nd Vice President, Donna Goble. Donna Gawalko reported on the successful formal dance held on February 6th. Marilyn McLean described the babysitting course that was previously held in 1968. The Motion was passed that we would start another babysitting course starting early in September, 1970, running for a six week period. The Members brought household hints to be used for the Flare.

The March meeting will be held in the Elks Hall and will be the annual "Talent Night". Non-prospective members can be invited

for this meeting. Costumes will be "Roaring 20's".

A white elephant sale was held after the business meeting and a nice profit was made. Everyone enjoyed themselves.

The next executive meeting will be held at the home of Carol Lane on March 3rd.

## Kinsmen Mark Anniversary

February 12th to February 21st is National Kinsmen Week, Fifty Years of Service.

Kinsmanship was born in Hamilton, Ontario, February 20th, 1920. It came through an urgent desire of a young man, Mr. Harold Royus for friendship with young Canadian men his own age, following World War I. In 50 years it has grown to the present 435 clubs with 14,000 members.

The Association of Kinsmen Clubs hold the distinction of being one of the few Service Clubs in Canada that is not international and sets an age limit of forty years for active membership. The service policy of Kinsmen is to fulfill the "Community's greatest needs."

The Evansburg and District Centennial Arena has been the "Community's greatest need" since it was started as the community centennial project and we, along with everyone else are still supporting its completion.

The Kinsmen and Kinette Clubs of Evansburg invite the community to help them celebrate their birthday. They will be serving coffee and birthday cake Saturday, February 21st, from 10:00 a.m. to 12:00 noon at both Save-Rite and Marshall-Wells stores in Evansburg.

## Alder Flats News

A good number of children met at the Church on Saturday bringing their sleighs and toboggans. Mr. Pearson and Mr. Simon took them out to the Wolf Creek hills where they all had a lot of fun tobogganing, afterwards they all enjoyed a hot lunch at the Church.

Mr. and Mrs. Murray Clark of Valleyview and Mrs. Sandra Anderson of Sexsmith were last weekend visitors at the James Chapchuks.

Gordon Lindholm left Sunday morning for Birch Hills after spending a few days at home.

Mr. and Mrs. Pete Maciborsky and Mrs. Bemice Johnson attended the funeral of an Aunt at Kingman last Wednesday, afterwards they were supper guests at the Rudy Undin's and also called in at the Wm. Bjorgum home.

Congratulations to Helen Pazsgai and Morris Trusett on their engagement.

The Senior hockey team won their game at Rocky last Monday night.

Mr. and Mrs. James Maciborsky and family of Wetaskiwin were Sunday visitors at the Pete Maciborsky's and Steve Stefura's.

Congratulations to the Alder Flats teams that came home with prizes from the Buck Lake open bonspiel. The Maciborsky rink was defeated by the Letourneau rink for first place in the first event. Jim Capaniuk's rink got 4th in this event. Arnold Kellgrens rink took top honors in the second event and Gordon Foss's rink got 4th in the same event.

Coming Events - Sunday School every Sunday at 12:30 with Church Services alternate Sunday. Dance for Queen candidate Rose Schwengler, February 27th at the Alder Flats hall.

Mr. and Mrs. Rodney Forth of Lacombe were weekend visitors at Rings and Simon's.

Gerry and Dexter Johnson and Sandra Ring were part of the carload of young people Rod Drebert took to Edmonton for the Youth Retreat the past weekend.

## SUB-MITS

FROM THE ELEMENTARY SCHOOL

The points last week which suggested that homework was unnecessary, were appreciated by most students. This week, lets look at a few points in favour of homework. Again they are taken from a book, "The Ungraded School"

1. Homework keeps parents in touch with the school program and their child's progress, thus creating a closer bond between home and school.

2. It teaches a child to follow directions and helps him learn how to organize his time.

3. It teaches the child to accept responsibility and helps him develop self-reliance in his work; improves study skills and work habits.

4. Struggling with lessons is good discipline and a builder of character.

5. Homework provides constructive use of time which might otherwise be idly squandered; it keeps the child out of mischief after school.

6. It reinforces school learnings and gives needed drill on work taken up in class.

7. The amount of knowledge required by the curriculum simply cannot be imparted during school hours alone.

Next week I hope to have a reaction to homework from a few students.

Sincerely,  
Olga Brown.

## KEEPPHILLS NEWS

Richard Wright of Okotoks, Alberta passed away February 8th after about five months in a hospital. Richard grew up here, one of a family of seven children; two sisters, Myrtle Elliot of Saskatoon and Violet Anderson of Castor are the only ones remaining. Several nieces and nephews survive. Richard was married and had four children.

Mr. Selma Walker of Quesnell, B. C. is at present visiting her brother Walt Burquist at Wabamun and will visit relations and friends here this week then go to the Bashaw area for a visit.

Gordon Bryant of Drayton Valley visited his mother, Mabel Bryant last weekend and caught up on some chores for her.

Parkland Regional Recreation classes for sewing and basketry will begin here this week. Last Thursday enough women and girls registered for sewing but at this date there is not enough interest for basketry. Mrs. Pryor of Tomahawk is in charge of this portion and Mrs. Evelyn Lukaniuk also of Tomahawk is in charge of the sewing.

The W.M.S. of the Free Methodist Church from Burtonsville held their meeting at Della Tattersall's on Monday. Emma and Axel Homme spent the evening with Marie and Gordon Raymond.

The rink at the school has almost reached the point of no return from being used, while temperatures were up in the forty above range.

## Lindale Club Names Queen

The Lindale 4-H Swine Club is sponsoring Sadie Maxwell as queen candidate for the Warburg Annual Winter Carnival on February 28 to March 1st.

Twenty-five percent of ticket sales go to the club. A two piece luggage set is being offered as raffle prize.

Sadie came to Lindale from Whitecourt where she took an active part in student government. She has attended Breton High for three years and is vice-president of "Kaleidoscope Korporation," a student owned and operated store.

She is in grade twelve and likes all sports, particularly baseball.

### CONTROL OF DOGS

It was agreed to authorize the village of Spruce Grove to control the running at large of dogs

## The Custom Cattle Feeding Story At The Mobuck Custom Feed Lots

The custom feed lot is nothing more than a boarding house for cattle, where they are fed and cared for, for a fee. To the rancher it offers a second home for everything he raises, instead of selling feeders it provides the opportunity to upgrade his product and market finished cattle. Likewise during periods of market stress he may choose to feed rather than sell. It is often used to advantage during periods of adverse weather or feed shortage.

For the grain farmer it provides an opportunity for him to feed his own grain to his own cattle at equitable prices without the necessity of owning a physical plant or participating in labor or management. The feedlot will assist in placing orders to purchase and likewise will assist with the sale of any of its customer's cattle.

For the investor it provides an opportunity for him to participate in the cattle feeding business. This type of investment can be both interesting and yield well, especially in times of high beef prices and low feed costs.

The custom feedlot has no magic formula for feeding cattle. Its one advantage is that feeding, care, health and marketing is its sole business to which its entire staff devotes its time and is thereby in a better position to get the job done than is a farm feeder who is feeding a few cattle, only as part of a busy diversified program.

**ARRIVAL** - All cattle are weighed in and out of the feedlot so that a record of their performance is known. We suggest that all cattle be vaccinated for Blackleg and Malignant Edema at time of arrival. At the same time all cattle are identified by means of a colored ear tag for future reference. All cattle entering the feedlot must be in a healthy condition.

**HEALTH** - The feedlot maintains one or more pen men according to cattle numbers whose duty it is to watch for sick cattle. Anything off color or appearing off color is immediately removed to a hospital pen where routine ailments are treated and the cattle returned. Anything more serious comes under the care of a qualified veterinarian. Owners are not charged for this service but pay only for the drugs which may be given.

**FEEDING** - A complete modern feedmill has been installed at the lot which enables us to completely blend all feeds going to the cattle. Each pen is equipped with grain feeders, roughage bunks, salt and mineral bunks, and automatic heated water bowls so that fresh water is in front of the cattle at all times.

**WHAT DOES CUSTOMER FEEDING COST?** - As to numbers we do not like to accept less than 25 head of cattle from any one owner and prefer that he fill a pen. Pen sizes range from 50 to 200 head. Charges at the feed lot are based on feed costs plus a yardage charge of 10¢ per head per day on mature cattle and 5¢ per head per day on calves. We also accept cattle on a gain basis which can vary (usually between 20¢ and 25¢ per pound) depending on feed costs.

**LOT LOCATION** - Our lots are situated on the Buck and Modests Creeks some two miles west of the hamlet of Lindale, about sixteen miles east of Drayton Valley. This location offers excellent shelter and good natural drainage as pens are situated on four feet of natural sand thus keeping wet and muddy conditions to a minimum.

## RECORD LIVESTOCK RECEIPTS IN EDMONTON LAST YEAR

Annual report of livestock marketing at the Edmonton Public Stockyards and area packing plants for 1969 prepared by the Livestock Division, Canada Department of Agriculture, shows sales during the past year to be the highest on record.

Estimated value of livestock receipts at the Edmonton Public Stockyards was \$79,403,330.00 up 16.3% from 1968 and the highest on record. The combined 1969 estimated value of receipts at the Edmonton Public Stockyards and direct to packing plants in Edmonton was \$193,609,423.00 up 6.7% from 1968 also a record high.

Cattle and calf sales at the Edmonton Public Stockyards totalled 344,845 second highest in Canada, although volume was down 3.9%. Cattle sales were down 5.0% with calf sales 1.1% below last year. Hog sales totalled 87,512 down 1.9% while the sheep and lamb sales of 22,933 head were 7.8% below last year.

Average per cwt. prices on all classes and grades of livestock were up sharply from 1968. All slaughter classes averaged \$2.00 to \$3.00 per cwt. above 1968 levels. Feeder cattle sold \$4.00 to \$5.00 per cwt. higher, while stock calves showed the greatest increase at prices \$7.00 to \$9.00 per cwt. above last year.

Near record slaughter prices were established in May when choice steers sold up to \$36.00 cwt., choice heifers brought a high of \$33.50 cwt., good cows topped at \$27.00 cwt., and

good to choice spring lambs sold up to \$33.00 per cwt. The peak price for slaughter hogs was \$38.10 base price recorded on December 4, 1969.

Cattle sales in 1969 were comprised of 38.4% slaughter cattle and 61.6% feeder cattle. Calf sales were comprised of 9.5% slaughter and 90.5% stock calves. 44.7% of the cattle sales were females in 1969 as compared to 49.1% females in 1968.

Slaughter cattle sales at the Edmonton Stockyards were made up of 52.0% choice and good steers and heifers, 32.8% cows, and 15.2% common to medium steers and heifers and bulls.

The Export Market was inactive in 1969 with only 270 head (mostly slaughter bulls) from the Edmonton Stockyards destined for the U.S.A.

During 1969, 95.0% of the feeder cattle and 79.1% of the stock calves sold at the Edmonton Public Stockyards went back to Alberta feeders.

A new 'one day' receipt record was established at the Edmonton Public Stockyards on October 27, 1969 when 6889 head of cattle and calves were delivered, and a new 'one week' receipt record was established during the same week (week ending November 1, 1969) when cattle and calf receipts totalled 17,695 head.

The packing plants in the Edmonton area recorded a decrease in the number of cattle, calves, sheep and hogs slaughtered in 1969 compared to 1968. Slaughter cattle were down 7.3%

### Third Section

## THE WESTERN REVIEW

Drayton Valley, Alberta  
February 18th, 1970

calves were down 46.2%, sheep and lambs dropped 12.1% and hog numbers were 19.3% lower.

Carcass quality of livestock slaughtered at the Edmonton plants again showed some improvement in 1969, although the percentage of overfinished beef carcasses was more than doubled from last year. Canada choice and good grades comprised 67.3% of the total beef and 85.9% of the lambs slaughtered as compared to 59.4% and 84.7% respectively for 1968. 12.5% of the Edmonton hog slaughter had a Canada Index of 105 or higher.

The Alberta Hog Producers Marketing Board began selling market hogs by the Teletype System on November 3, 1969. The Edmonton Public Stockyards was designated as an assembly yard for the Edmonton area.

### RAMONA NEWS

The Teen Club held their monthly meeting and sock hop on Friday, January 30 with about thirty youngsters present. It was decided to have a ski-doo party at the Davis farm for their February meeting. They decided to include all the young people between 10 and 17 in Rocky Rapids and Whitby too. Each person will be charged 25¢ to help pay for the Wiener roast after the ski-dooing. Anyone interested in attending this ski-doo party please phone Deena Davis at 542-2238. If you have a ski-doo and would like to drive it yourself and give these young people a ride give Deena a call. The date for the ski-doo party and wiener roast is February 28th at the Keith Davis home.
